Facilities Landfilling VA Incineration Ash

Facilities that landfill ash generated by a Virginia incinerator must complete Row 12 to receive a billing credit.

If submitting **on-line**, select tons or cubic yards and enter the amount landfilled from each listed incinerator.

If submitting a **hard copy**, use the Supplemental Form. Enter your facility's Permit Number and the Annual Reporting Period. Select tons or cubic yards. Enter the permit number and facility name for each VA incinerator from which ash was received. Enter the amount landfilled.

Use the same units of measure (Tons or Cubic Yards) for Rows 12 - 25.

These are the 2012 active VA incinerators:
