RD Fresh

KEEP FOOD FRESHER, LONGER!

RD Fresh

RD Fresh is the company name for an innovative product that uses mineral zeolite to reduce moisture content in commercial refrigerators. As a result, the shelf-life of food is increased dramatically and cooling needs are significantly reduced as well. At RD Fresh Distributing, we are proud to sell products that save our client's money, but we are even more proud that our products help save the planet. The conservation of food doesn't get a lot of press, but it should!

- ✓ Increases food shelf life up to 50%
- ✓ Reduces humidity and food odors.
- ✓ Reduces the spread of bacteria.
- ✓ Reduces cross contamination.
- ✓ Reduces temperatures 3 to 5 degrees.
- ✓ Reduces refrigeration cycles.
- ✓ Reduces energy costs.
- ✓ Extends the life of the compressor.
