Dear Ms. Riggleman,

We appreciate the opportunity to comment of the draft PSD permit published by Virginia DEQ for Dominion Power and the Warren County Power Station.

We urge DEQ to work with the National Park Service, the Air Board, and Dominion to significantly improve upon the draft PSD permit and endorse the specific views and recommendations submitted by Cale Jaffe, Senior Attorney for the Southern Environmental Law Center on behalf of the Law Center and the National Parks Conservation Association dated November 23, 2010.

Respectfully Submitted,

William Howard, Executive Director
