Re: Air Quality Modeling Protocol – Responses to Comments
Warren County Combined Cycle Project
Prevention of Significant Deterioration Permit
Registration No. 81391
Plant ID No. 51-187-0041

Dear Mr. Kiss:

In accordance with your letter of February 2, 2010, Dominion has reviewed and revised the air quality modeling protocol for the Warren County Combined Cycle Project. Two documents are included with this submittal: 1) a Response to Comments which restates your comments and includes our responses; and, 2) a revised air quality modeling protocol. We concur with all of your requests.

Subject to Virginia Department of Environmental Quality approval, Dominion will conduct the air quality modeling study described in the protocol. We request notification of your determination at your earliest convenience.

If you have any questions regarding the air quality modeling protocol, please contact Andy Gates at 804-273-2950 or andy.gates@dom.com.

Sincerely,

A handwritten signature in blue ink that reads "Robert M. Bisha".

Robert M. Bisha
Director, Environmental Business Support
