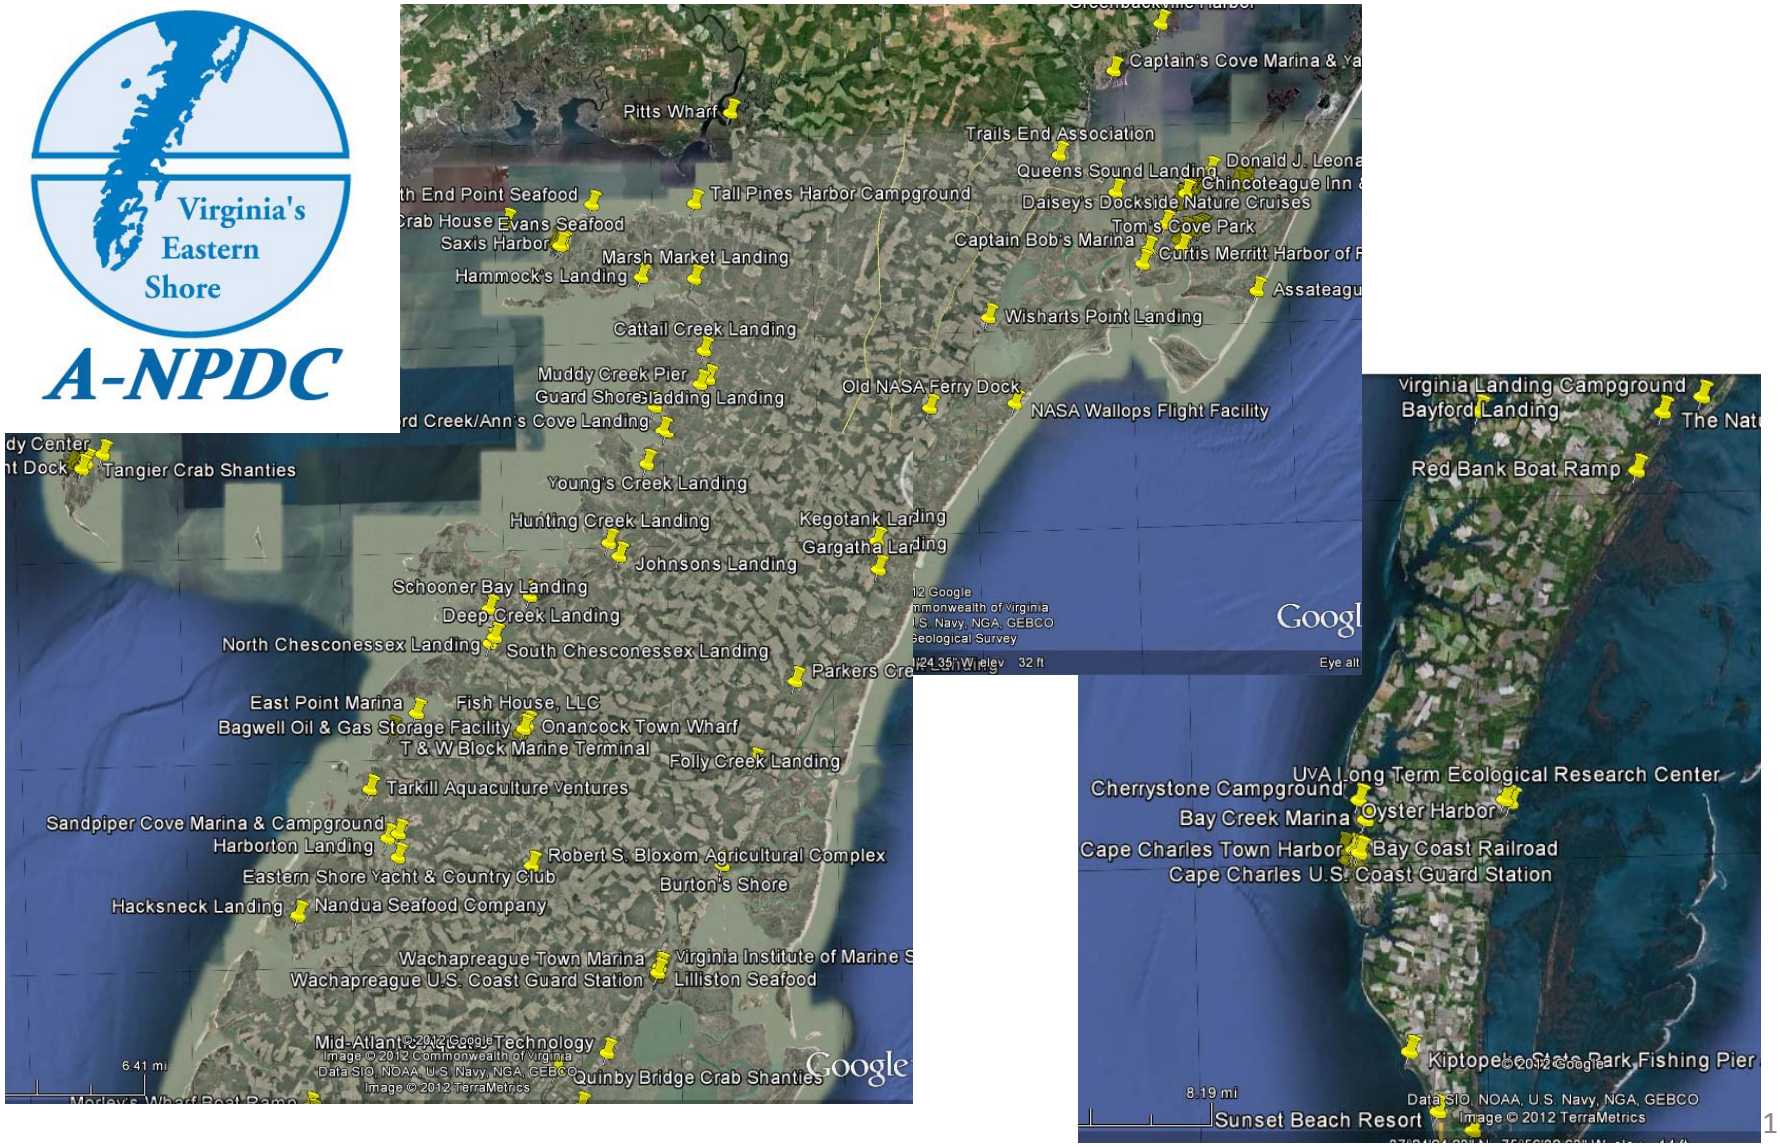
Eastern Shore
Working Waterfront Infrastructure Inventory

Virginia's Eastern Shore

A-NPDC



Regional Definition of Working Waterfronts

In Accomack and Northampton Counties of Virginia, the term `working waterfront' means real property (including support structures over and adjacent to the water or inland property engaged in significant water-related activities) that provides access to coastal waters or that supports commercial fishing; recreational fishing businesses; aquaculture; ecotourism; national defense; public safety uses; marine research; shipping and rail yards; boatbuilding; support of offshore energy production; or other commercial, recreational, and industrial business.
