

Photography for ESC and SW Inspectors

3 CH

Module 1

Introduction

Ground Rules

- Keep cell phones off during the training
- Questions and comments are encouraged
- Everyone will have an opportunity to speak and share their thoughts at the appropriate times
- Be supportive of all participants

Agenda

1:00 – 1:30	Module 1 – Introduction/Why a photography course
1:30 – 2:30	Module 2 – Photography Basics
2:30 – 2:45	Break
2:45 – 3:30	Module 2 – Continued
3:30 – 4:15	Module 3 – Photography and the Inspector

Course Objectives

1. Provide an overview on why photography is important
2. Provide an overview of basic photographic techniques
3. Discuss some photo programs and apps
4. Provide a review of does and don't for the photographer inspector

So why a photography course for erosion and sediment control and stormwater inspectors?

- Photos can be shared
- Used in enforcement
- Used to illustrate
- Used in court
- Used to compare

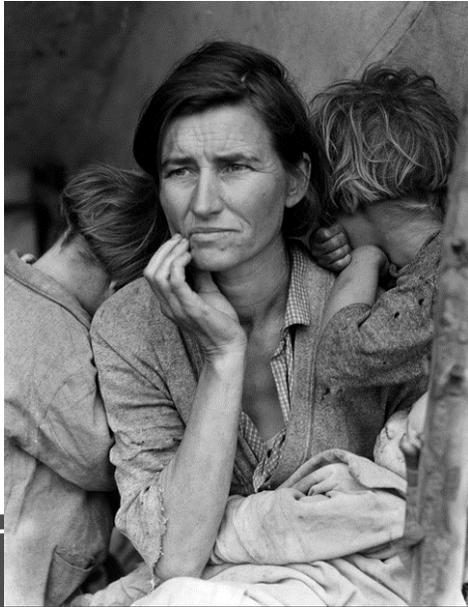

Why a Photography Course?

**A PICTURE IS
WORTH A
THOUSAND
WORDS.**
