### **SECTION C: Findings of Fact and Conclusions of Law**

1. MW owns and operates a residential and commercial windows manufacturing facility in Rocky Mount, Virginia.
2. The Department issued a T5 Permit to MW which authorizes MW to construct and operate a stationary source of air pollution. The T5 Permit contains conditions and enumerates emission limitations on the air emissions from the Facility.
3. The T5 Permit requires MW to conduct periodic monitoring and submit monitoring reports to the Department semiannually. The Report for the period of July 1, 2014

through December 31, 2014 was due to the Department by March 1, 2015 (deemed not late if received by March 2, 2015 due to the weekend).

4. The T5 Permit also requires submittal of a certificate of compliance no later than March 1 of each calendar year. The certificate of compliance was due to the Department by March 1, 2015 (deemed not late if received by March 2, 2015 due to the weekend).
5. Condition Number 71 of the T5 Permit states that the permittee shall submit the results of monitoring contained in any applicable requirement to DEQ no later than September 1 and March 1 of each calendar year.
6. Condition Number 72 of the T5 Permit states the permittee shall submit to EPA and DEQ no later than March 1 of each calendar year a certificate of compliance.
7. On March 11, 2015, Department staff conducted a PCE of the Facility by reviewing the file for compliance with the requirements of the Virginia Air Pollution Control Law, the Permit, and the Regulations. Based on the evaluation, Department staff made the observation that the Report and certificate of compliance had not been received.
8. On March 18, 2015, based on the PCE, the Department issued Notice of Violation No. ABRRO 000103 to MW for the violations described in paragraphs C(3) through C(7), above.
9. On March 25, 2015, the Department received the Report and the certificate of compliance.
10. Based on the results of the March 11, 2015 PCE, the Board concludes that MW has violated T5 Permit Conditions Number 71 and Number 72, as described in paragraphs C(3) through C(7), above.
11. MW's submitted the Report and the certificate of compliance to the Department on March 25, 2015 and this submittal verifies that the violation described in paragraphs C(3) through C(7), above, has been corrected.

#### **SECTION D: Agreement and Order**

Accordingly, by virtue of the authority granted it in Va. Code §§ 10.1-1309 and -1316, the Board orders MW, and MW agrees to pay a civil charge of **\$7,800** within 30 days of the effective date of the Order in settlement of the violations cited in this Order.

Payment shall be made by check, certified check, money order or cashier's check payable to the "Treasurer of Virginia," and delivered to:

MW shall include its Federal Employer Identification Number (FEIN) 63-0400153 with the civil charge payment and shall indicate that the payment is being made in accordance with the requirements of this Order for deposit into the Virginia Environmental Emergency Response Fund (VEERF). If the Department has to refer collection of moneys due under this Order to the Department of Law, MW shall be liable for attorneys' fees of 30% of the amount outstanding.

### **SECTION E: Administrative Provisions**

1. The Board may modify, rewrite, or amend this Order with the consent of MW for good cause shown by MW, or on its own motion pursuant to the Administrative Process Act, Va. Code § 2.2-4000 *et seq.*, after notice and opportunity to be heard.
2. This Order addresses and resolves only those violations specifically identified in Section C of this Order. This Order shall not preclude the Board or the Director from taking any action authorized by law, including but not limited to: (1) taking any action authorized by law regarding any additional, subsequent, or subsequently discovered violations; (2) seeking subsequent remediation of the facility; or (3) taking subsequent action to enforce the Order.
3. For purposes of this Order and subsequent actions with respect to this Order only, MW admits the jurisdictional allegations, findings of fact, and conclusions of law contained herein.
4. MW consents to venue in the Circuit Court of the City of Richmond for any civil action taken to enforce the terms of this Order.
5. MW declares it has received fair and due process under the Administrative Process Act and the Virginia Air Pollution Control Law and it waives the right to any hearing or other administrative proceeding authorized or required by law or regulation, and to any judicial review of any issue of fact or law contained herein. Nothing herein shall be construed as a waiver of the right to any administrative proceeding for, or to judicial review of, any action taken by the Board to modify, rewrite, amend, or enforce this Order.
6. Failure by MW to comply with any of the terms of this Order shall constitute a violation of an order of the Board. Nothing herein shall waive the initiation of appropriate enforcement actions or the issuance of additional orders as appropriate by the Board or the Director as a result of such violations. Nothing herein shall affect appropriate enforcement actions by any other federal, state, or local regulatory authority.

7. If any provision of this Order is found to be unenforceable for any reason, the remainder of the Order shall remain in full force and effect.
8. MW shall be responsible for failure to comply with any of the terms and conditions of this Order unless compliance is made impossible by earthquake, flood, other acts of God, war, strike, or such other unforeseeable circumstances beyond its control and not due to a lack of good faith or diligence on its part. MW shall demonstrate that such circumstances were beyond its control and not due to a lack of good faith or diligence on its part. MW shall notify the DEQ Regional Director verbally within 24 hours and in writing within three business days when circumstances are anticipated to occur, are occurring, or have occurred that may delay compliance or cause noncompliance with any requirement of the Order. Such notice shall set forth:
  - a. the reasons for the delay or noncompliance;
  - b. the projected duration of any such delay or noncompliance;
  - c. the measures taken and to be taken to prevent or minimize such delay or noncompliance; and
  - d. the timetable by which such measures will be implemented and the date full compliance will be achieved.

Failure to so notify the Regional Director verbally within 24 hours and in writing within three business days, of learning of any condition above, which the parties intend to assert will result in the impossibility of compliance, shall constitute a waiver of any claim to inability to comply with a requirement of this Order.

9. This Order is binding on the parties hereto and any successors in interest, designees and assigns, jointly and severally.
10. This Order shall become effective upon execution by both the Director or his designee and MW. Nevertheless, MW agrees to be bound by any compliance date which precedes the effective date of this Order.
11. This Order shall continue in effect until:
  - a. The Director or his designee terminates the Order after MW has completed all of the requirements of the Order;
  - b. MW petitions the Director or his designee to terminate the Order after it has completed all of the requirements of the Order and the Director or his designee approves the termination of the Order; or

- c. the Director or Board terminates the Order in his or its sole discretion upon 30 days' written notice to MW.

Termination of this Order, or any obligation imposed in this Order, shall not operate to relieve MW from its obligation to comply with any statute, regulation, permit condition, other order, certificate, certification, standard, or requirement otherwise applicable.

12. Any plans, reports, schedules or specifications attached hereto or submitted by MW and approved by the Department pursuant to this Order are incorporated into this Order. Any non-compliance with such approved documents shall be considered a violation of this Order.
13. The undersigned representative of MW certifies that he or she is a responsible official authorized to enter into the terms and conditions of this Order and to execute and legally bind MW to this document. Any documents to be submitted pursuant to this Order shall also be submitted by a responsible official of MW.
14. This Order constitutes the entire agreement and understanding of the parties concerning settlement of the violations identified in Section C of this Order, and there are no representations, warranties, covenants, terms or conditions agreed upon between the parties other than those expressed in this Order.
