All three reports were submitted by Shenandoah County on March 31, 2011. Based on the evaluations, Department staff made the following observations:

6. On April 7, 2011, based on the April 5, 2011 PCEs and follow-up information, the Department issued Notice of Violation No. AVRO7921 to Shenandoah County for the violations described in paragraphs C(3) through C(5), above.
7. Based on the results of the April 5, 2011 evaluations, the Board concludes that Shenandoah County has violated Permit condition VII.C.3 in accordance with 9 VAC 5-80-110 F.2 and Permit condition VII.D in accordance with 9 VAC 5-80-110 K.5 as described in paragraphs C(3) through C(5), above.

2. This Order addresses and resolves only those violations specifically identified in Section C of this Order. This Order shall not preclude the Board or the Director from taking any action authorized by law, including but not limited to: (1) taking any action authorized by law regarding any additional, subsequent, or subsequently discovered violations; (2) seeking subsequent remediation of the facility; or (3) taking subsequent action to enforce the Order.
3. For purposes of this Order and subsequent actions with respect to this Order only, Shenandoah County admits the jurisdictional allegations, findings of fact, and conclusions of law contained herein.
4. Shenandoah County consents to venue in the Circuit Court of Rockingham County for any civil action taken to enforce the terms of this Order.
5. Shenandoah County declares it has received fair and due process under the Administrative Process Act and the Virginia Air Pollution Control Law and it waives the right to any hearing or other administrative proceeding authorized or required by law or regulation, and to any judicial review of any issue of fact or law contained herein. Nothing herein shall be construed as a waiver of the right to any administrative proceeding for, or to judicial review of, any action taken by the Board to modify, rewrite, amend, or enforce this Order.
6. Failure by Shenandoah County to comply with any of the terms of this Order shall constitute a violation of an order of the Board. Nothing herein shall waive the initiation of appropriate enforcement actions or the issuance of additional orders as appropriate by the Board or the Director as a result of such violations. Nothing herein shall affect appropriate enforcement actions by any other federal, state, or local regulatory authority.
7. If any provision of this Order is found to be unenforceable for any reason, the remainder of the Order shall remain in full force and effect.
8. Shenandoah County shall be responsible for failure to comply with any of the terms and conditions of this Order unless compliance is made impossible by earthquake, flood, other acts of God, war, strike, or such other occurrence. Shenandoah County shall show that such circumstances were beyond its control and not due to a lack of good faith or diligence on its part. Shenandoah County shall notify the DEQ Regional Director verbally within 24 hours and in writing within three business days when circumstances are anticipated to occur, are occurring, or have occurred that may delay compliance or cause noncompliance with any requirement of the Order.  - b. the projected duration of any such delay or noncompliance;
 - c. the measures taken and to be taken to prevent or minimize such delay or noncompliance; and

Failure to so notify the Regional Director verbally within 24 hours and in writing within three business days, of learning of any condition above, which Shenandoah County intends to assert will result in the impossibility of compliance, shall constitute a waiver of any claim to inability to comply with a requirement of this Order.

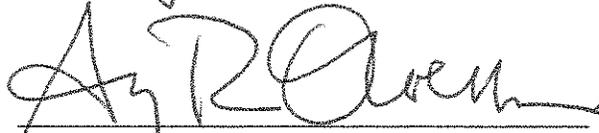

9. This Order is binding on the parties hereto, their successors in interest, designees and assigns, jointly and severally.
10. This Order shall become effective upon execution by both the Director or his designee and Shenandoah County. Nevertheless, Shenandoah County agrees to be bound by any compliance date which precedes the effective date of this Order.
11. This Order shall continue in effect until:
 - a. Shenandoah County petitions the Director or his designee to terminate the Order after it has completed all of the requirements of the Order and the Director or his designee approves the termination of the Order; or
 - b. the Director or Board terminates the Order in his or its sole discretion upon 30 days' written notice to Shenandoah County.

Termination of this Order, or any obligation imposed in this Order, shall not operate to relieve Shenandoah County from its obligation to comply with any statute, regulation, permit condition, other order, certificate, certification, standard, or requirement otherwise applicable.

12. Any plans, reports, schedules or specifications attached hereto or submitted by Shenandoah County and approved by the Department pursuant to this Order are incorporated into this Order. Any non-compliance with such approved documents shall be considered a violation of this Order.
13. The undersigned representative of Shenandoah County certifies that he or she is a responsible official authorized to enter into the terms and conditions of this Order and to execute and legally bind Shenandoah County to this document. Any documents to be submitted pursuant to this Order shall also be submitted by a responsible official of Shenandoah County.
14. This Order constitutes the entire agreement and understanding of the parties concerning settlement of the violations identified in Section C of this Order, and there are no representations, warranties, covenants, terms or conditions agreed upon between the parties other than those expressed in this Order.
