

**STATE WATER CONTROL BOARD ENFORCEMENT ACTION  
SPECIAL ORDER BY CONSENT  
ISSUED TO  
S&S CONSTRUCTION, LLC  
Permit No. VAR 102443**

**SECTION A: Purpose**

This is a Consent Special Order issued under the authority of Va. Code §62.1-44.15(8a) and 8(d), between the State Water Control Board and S&S Construction, LLC for the purpose of resolving certain violations of environmental law and regulations.

**SECTION B: Definitions**

Unless the context clearly indicates otherwise, the following words and terms have the meaning assigned to them below:

1. “Va. Code” means the Code of Virginia (1950), as amended.
2. “Board” means the State Water Control Board, a permanent citizens’ board of the Commonwealth of Virginia as described in Va. Code §§ 10.1-1184 and 62.1-44.7.
3. “Department” or “DEQ” means the Department of Environmental Quality, an agency of the Commonwealth of Virginia as described in Va. Code § 10.1-1183.
4. “Director” means the Director of the Department of Environmental Quality.
5. “Order” means this document, also known as a Consent Special Order.
6. “S&S” means S&S Construction, LLC certified to do business in Virginia and its affiliates, partners, subsidiaries, and parents.
7. “Facility” means the small construction activity on the 32 lots that have been land disturbed by S&S in the Northside Subdivision located in Blacksburg, Virginia.

8. “WCRO” means the West Central Regional Office of DEQ, located in Roanoke, Virginia.
9. “Permit” means VAR 102443, which became effective June 30, 2003, and expires June 30, 2004.

### **SECTION C: Findings of Fact and Conclusions of Law**

1. S&S owns and operates the Facility. The Facility is the subject of VAR 102443, which allows storm water discharges associated with small construction activity.
2. DEQ noted apparent violations of the State Water Control Law and regulations in a Notice of Violation issued by DEQ May 13, 2003, as:
  - Failure to submit a Registration Statement and required fees for a Small Construction Activity Permit in violation of Code § 62.1-44.5 and regulations 9 VAC 25-180-60 and 9 VAC 25-31-120.B.
3. S&S applied for and received a permit for the 6 lots they are currently working. That resolves the citation in the Notice of Violation.
4. S&S has had unpermitted discharges as observed by DEQ on March 4, 2003 and May 23, 2003, in violation of Code § 62.1-44.5 and regulation 9 VAC 25-31-50.
5. In addition to what S&S is currently permitted for they have been operating in the Northside Subdivision for the past 5 years. Over that period they disturbed an additional 3.5 acres (26 lots) without a permit in violation of Code § 62.1-44.5 and regulation 9 VAC 25-180-60 and 9 VAC 25-31-120.B.

## **SECTION D: Agreement and Order**

Accordingly, the Board, by virtue of the authority granted it in Va. Code § 62.1-44.15(8a) and (8d), orders S&S, and S&S agrees, to pay a civil charge of \$3,000 within 30 days of the effective date of the Order in settlement of the violations cited in this Order. Payment shall be made by check payable to the “Treasurer of Virginia”, delivered to:

Receipts Control  
Department of Environmental Quality  
Post Office Box 10150  
Richmond, Virginia 23240

The payment check must include S&S's Federal Identification Number and a notation that it is tendered for payment of a civil charge pursuant to this Order.

## **SECTION E: Administrative Provisions**

1. The Board may modify, rewrite, or amend the Order with the consent of S&S, for good cause shown by S&S, or on its own motion after notice and opportunity to be heard.
2. This Order only addresses and resolves those violations specifically identified herein, including those matters addressed in the Notice of Violation issued to S&S by DEQ on May 13, 2003. This Order shall not preclude the Board or the Director from taking any action authorized by law, including but not limited to: (1) taking any action authorized by law regarding any additional, subsequent, or subsequently discovered violations; (2) seeking subsequent remediation of the Facility as may be authorized by law; or (3) taking subsequent action to enforce the Order. This Order shall not preclude appropriate enforcement actions by other federal, state, or local regulatory authorities for matters not addressed herein.
3. For purposes of this Order and subsequent actions with respect to this Order, S&S admits the jurisdictional allegations, factual findings, and conclusions of law contained herein.
4. S&S consents to venue in the Circuit Court of the City of Richmond for any civil action taken to enforce the terms of this Order.
5. S&S declares it has received fair and due process under the Administrative Process Act, Va. Code §§ 2.2-4000 *et seq.*, and the State Water Control Law and it waives the right to any hearing or other administrative proceeding authorized or required by law or regulation, and to any judicial review of any issue of fact or law contained herein. Nothing herein shall be construed as a waiver of the right to any administrative proceeding for, or to judicial review of, any action taken by the Board to enforce this Order.

6. Failure by S&S to comply with any of the terms of this Order shall constitute a violation of an order of the Board. Nothing herein shall waive the initiation of appropriate enforcement actions or the issuance of additional orders as appropriate by the Board or the Director as a result of such violations. Nothing herein shall affect appropriate enforcement actions by any other federal, state, or local regulatory authority.
7. If any provision of this Order is found to be unenforceable for any reason, the remainder of the Order shall remain in full force and effect.
8. S&S shall be responsible for failure to comply with any of the terms and conditions of this Order unless compliance is made impossible by earthquake, flood, other acts of God, war, strike, or such other occurrence. S&S shall show that such circumstances were beyond its control and not due to a lack of good faith or diligence on its part. S&S shall notify the DEQ Regional Director in writing when circumstances are anticipated to occur, are occurring, or have occurred that may delay compliance or cause noncompliance with any requirement of the Order. Such notice shall set forth:
  - a. the reasons for the delay or noncompliance;
  - b. the projected duration of any such delay or noncompliance;
  - c. the measures taken and to be taken to prevent or minimize such delay or noncompliance; and
  - d. the timetable by which such measures will be implemented and the date full compliance will be achieved.

Failure to so notify the Regional Director within 24 hours of learning of any condition above, which S&S intends to assert will result in the impossibility of compliance, shall constitute a waiver of any claim to inability to comply with a requirement of this Order.
9. This Order is binding on the parties hereto, their successors in interest, designees and assigns, jointly and severally.
10. This Order shall become effective upon execution by both the Director or his designee and S&S. Notwithstanding the foregoing, S&S agrees to be bound by any compliance date which precedes the effective date of this Order.
11. This Order shall continue in effect until payment is received by **Receipts Control, Department of Environmental Quality, Post Office Box 10150, Richmond, Virginia 23240**. Termination of this Order, or any obligation imposed in this Order, shall not operate to relieve S&S from its obligation to comply with any statute, regulation, permit

condition, other order, certificate, certification, standard, or requirement otherwise applicable.
