## **SECTION E: Administrative Provisions**

1. The Board may modify, rewrite, or amend the Order with the consent of Tabb, for good cause shown by Tabb, or on its own motion after notice and opportunity to be heard.
2. This Order only addresses and resolves those violations specifically identified herein, including those matters addressed in the Notice of Violation issued to Tabb by DEQ on September 3, 2003. This Order shall not preclude the Board or the Director from taking any action authorized by law, including but not limited to: (1) taking any action authorized by law regarding any additional, subsequent, or subsequently discovered violations; (2) seeking subsequent remediation of the construction site as may be authorized by law; or (3) taking subsequent action to enforce the Order. This Order shall not preclude appropriate enforcement actions by other federal, state, or local regulatory authorities for matters not addressed herein.
3. For purposes of this Order and subsequent actions with respect to this Order, Tabb admits the jurisdictional allegations, factual findings, and conclusions of law contained herein.
4. Tabb consents to venue in the Circuit Court of the City of Richmond for any civil action taken to enforce the terms of this Order.
5. Tabb declares it has received fair and due process under the Administrative Process Act, Va. Code §§2.2 - 4000 *et seq.*, and the State Water Control Law and it waives the right to any hearing or other administrative proceeding authorized or required by law or regulation, and to any judicial review of any issue of fact or law contained herein. Nothing herein shall be construed as a waiver of the right to any administrative proceeding for, or to judicial review of, any action taken by the Board to enforce this Order.
6. Failure by Tabb to comply with any of the terms of this Order shall constitute a violation of an order of the Board. 7. If any provision of this Order is found to be unenforceable for any reason, the remainder of the Order shall remain in full force and effect.
8. Tabb shall be responsible for failure to comply with any of the terms and conditions of this Order unless compliance is made impossible by earthquake, flood, other acts of God, war, strike, or such other occurrence. Tabb shall show that such circumstances were beyond its control and not due to a lack of good faith or diligence on its part. - d. the timetable by which such measures will be implemented and the date full compliance will be achieved.

Failure to so notify the Regional Director within 24 hours of learning of any condition above, which Tabb intends to assert will result in the impossibility of compliance, shall constitute a waiver of any claim to inability to comply with a requirement of this Order.

- 9. This Order is binding on Tabb; its successors in interest, designees and assigns, jointly and severally.
- 10. This Order shall become effective upon execution by both the Director or his designee and Tabb.
- 11. This Order shall continue in effect until Tabb petitions the Director or his designee to terminate the Order after it has completed all of the requirements of the Order and the Director or his designee approves the termination of the Order. In addition, the Director or the Board may terminate this Order, for good cause upon 30 days' written notice to Tabb. Termination of this Order, or any obligation imposed in this Order, shall not operate to relieve Tabb from its obligation to comply with any statute, regulation, permit condition, other order, certificate, certification, standard, or requirement otherwise applicable.
- 12. By its signature below, Tabb voluntarily agrees to the issuance of this Order.
