Dear Mr. Stewart:

The Virginia Department of Environmental Quality, Office of Waste Permitting and Compliance (DEQ) received your request via conference call on November 10, 2015 for a 40 day extension for the Radford Army Ammunition Plant's (RAAP) response to the Tier 2 comments on the Revised Third Notice of Deficiency (NOD), dated October 26, 2015, for the submitted Part B renewal application for the Subpart O Explosive Waste Incinerator Permit. As detailed in the conference call between DEQ and RAAP on November 10, 2015, the extension is being requested to consolidate the response dates for the EWI Tier I and Tier II NOD comments.

Your request for an extension has been approved and the revised deadline for RAAP's response to the NOD will now be January 4, 2015, which is a revision from the previously date of November 25, 2015.

If you have any questions please feel free to contact me at (804) 698-4467 or by e-mail at Ashby.Scott@deq.virginia.gov.

Sincerely,
