

### Legal Requirements

- The legal requirement procedures are in Tab 6 of the EMS Manual
- The plant uses a number of things to keep up on changing regulations
  - All Suez plants have a subscription to Ciber-Regs
  - Virginia e-mails a list of any town meetings that may pertain to the plant
  - There is a monthly conference call between the Suez plants to discuss regulations and upcoming regulations.
  - The plant is on the mailing list for most all webinars
  - Is on the EPA Region 3 list for training sections.
