2013 Virginia Green Travel Star Awards Green Travel Leader

Holiday Inn Express Warrenton

Our hotel, the Holiday Inn Express & Suites, in Warrenton, Virginia has implemented the following green practices:

- Sheet changing cards in all guestrooms- allows the guests to decide if they want housekeeping to change their sheets daily or not
- Towel Rack Hangers in all guestrooms- by having this sign in the bathrooms of our guestrooms, it tells the guests that if they hang up their towels, the housekeeper will not remove the towels and thus lets the towels be reused
- Recycling Bins - in all public areas of the hotel (breakfast bar, fitness room, business center, etc.) as well as behind the front desk, we have recycling bins for paper and plastic bottles
- Only using pitchers of ice water in our meeting room for functions instead of offering bottled water
- Low-flow toilets in all guestrooms
- Adjustable low-flow showerheads in all guestrooms
- Only use fluorescent light bulbs in all areas of the hotel
- Paperless Night Audit
