2014 Annual Virginia Green Travel Star Awards

Green Inn/Cabins of the Year:

Shadow Mountain Escape

Luray, Virginia

Virginia Green Travel Star Award Summary

- ✓ As a small business committed to community leadership in promoting environmentally-friendly practices in tourism, Shadow Mountain Escape passionately embraces Green initiatives through daily example by educating customers and regional small business community on Green practices and the associated values.
- ✓ Shadow Mountain Escape, bordering the wildlife conservatory of the Shenandoah National Park, became one of Virginia's first Virginia Green Lodging facilities in Page County.
- ✓ The business continues to proudly inspire other businesses and individuals in the county to embrace Green practices and achieve Virginia Green certification.
- ✓ Of the business' numerous Green practices, Shadow Mountain Escape's most innovative Green project is the on-site "Stinkbug" recycling center. The "Stinkbug" recycling center is uniquely designed to prevent wildlife access while facilitating the most clean and effective organic trash management and recycling in a wilderness rich area.

Virginia Green is run through a partnership between:

VIRGINIA IS FOR LOVERS
