

# BadWolf Brewing Company

8420 Kao Circle  
Manassas

"BadWolf is a small, family owned brewery focused on crafting a line of exquisite beers toward the local palate. We use whole ingredients and no artificial flavors."

**Green Statement:** "We have an ultimate goal to be energy independent and exceedingly sustainable as we continue to grow and to lead by example. We purchase local ingredients, organic if possible, to brew our beer and host beer dinners with restaurants promoting and sourcing local ingredients/food."

## CORE ACTIVITIES for Green Attractions

**Recycling.** Virginia Green facilities must have highly-visible locations/containers that provide the opportunity for guests to recycle aluminum cans, plastic and glass bottles, or other disposable products purchased at the facility. Recycling of cardboard, plastic, paper, and composting of waste foods is highly encouraged as well. This facility pledges that they:

- Offer the opportunity for guests to recycle: glass bottles, plastic bottles, aluminum cans
- Also recycle: newspaper, office paper, toner cartridges, cardboard

**Minimize the use of disposable food service products.** The facility is required to minimize the use of disposable food service products and maximize the use of food service products that are recyclable or compostable in the food service area. When disposable food service items are used, the facility is encouraged to use products that are made from bio-based or renewable resources, and to provide for the collection / recycling/ composting of food service items disposed of on the premises. This facility pledges that they:

- Do not use any disposable containers, dishware, cutlery, or cups

**Reduce solid waste.** The facility must be actively working to reduce its solid waste generation. This facility pledges that they:

### *Dining room (or during meetings/events)*

- Use cloth napkins
- Use water pitchers to minimize the use of single-use bottles

### *Restrooms*

- Use bulk soap dispensers in public restrooms

### *Office*

- Remove facility and staff names from junk mail lists when possible
- Reuse scrap paper for notes
- Reuse or donate shipping and packing supplies (peanuts, bubble wrap, etc.)
- Recycle ink cartridges

### *Buildings and grounds*

- Use reused building materials or those from sustainable sources

- Perform preventative maintenance on all appliances, HVAC systems, plumbing, and vehicles
- Donate spent grains to local farmers

**Use water efficiently.** The facility must have a plan in place and have taken steps toward reducing its water use. This facility pledges that they:

- Track overall water usage and wastewater costs

*Activities indoors*

- Perform preventative maintenance to stop drips and leaks
- Re-use cooling water as brewing water for the next brew

**Conserve energy.** The facility must have a plan in place and have taken steps toward reducing its energy use. This facility pledges that they:

- Track overall energy bills

*Heating and cooling*

- Have individual thermostats for each room; ensure they are correctly adjusted
- Have installed ceiling fans
- Keep office doors and windows closed if HVAC system is on

*Lighting*

- Use natural lighting
- Use lighting sensors to turn on/off lights
- Have adopted a policy/practice to minimize the use of lighting during night cleaning

*Appliances and electronic devices*

- Use ENERGY STAR qualified appliances (commercial kitchens, heating and cooling, consumer electronics)

**Green Events Package.** The facility must offer a “green” or “environmentally-friendly” package for conferences, meetings and other events. Even if the facility only offers occasional, small events, at least recycling will be provided. This facility pledges that they:

- Compostable cups for festivals
