## Crozet Spring Arts & Crafts Festival Crozet, VA

---

**Virginia Green** is the Commonwealth of Virginia's campaign to promote environmentally-friendly practices in all aspects of Virginia's tourism industry. **Virginia Green** has established "core activities" specific to each sector of tourism, and these practices are considered the required minimum for participation in the program. However, **Virginia Green** encourages its participants to reduce their environmental impacts in all aspects of their operations, and this profile provides a full list of all their "green" activities. These are the activities that guests / customers can expect to find when they visit this facility.

## Crozet Spring Arts & Crafts Festival

Crozet Arts and Crafts Festival is a juried fine art and craft event, featuring handcrafted work sold by the makers. Each Festival weekend also features live music, children's activities, great food, and Virginia wine and beer. The Festivals support Claudius Crozet Park, a non-profit 22 acre community owned and operated Park.

As the main source of revenue for beautiful Claudius Crozet Park, and as a large event that draws a significant number of people including many families from the surrounding area, we feel a responsibility to demonstrate respect towards our eco-system and take steps to act accordingly.

### Virginia Green Activities

#### This facility pledges that they:

##### Recycle.

- Have in place clearly marked recycling locations and/or containers. Please check the items that visitors to your facility are able to recycle: (*minimum of 2 required*)
  - Glass bottles
  - Aluminum cans
  - Plastic bottles
  - Paper
  - Cardboard
  - Composting of food & other compostable items

### **Minimize the use of disposable food service products.**

- Use disposable food service items that are made from bio-based, renewable materials
- Use disposable food service items that are made with recycled content
- Use disposable food service items that are recyclable in your area
- Use compostable food service items and direct this material to available composting operations in your area

### **Printed Materials.**

- Use electronic registration, correspondence, and forms instead of paper forms
- Print brochures and other printed items on recycled content paper
- Purchase/use paper products with 30% or higher recycled-content

### **Waste Reduction.**

- Track overall solid waste costs (*required for Virginia Green*)
- Chose a **location/venue** that shares a similar commitment to reducing its environmental impacts and include green specifics in contracting. Please provide the "green details" on the venue:
- Arrange for the composting of food waste and other compostables
- Use non-bleached napkins and coffee filters
- Avoid box lunches and service trays/platters of food instead
- Purchase recycled-content paper towels and toilet paper
- Encourage the use of mass-transit and/or carpooling to the event
- Provide for recycling of boxes and other set-up wastes
- Reuse or donate shipping and packing supplies (peanuts, bubble wrap, etc.)
- Purchase from vendors and service providers with a commitment to the environment

### **Green Signage.**

- Have a link on our website to the Virginia Green Events webpage
- Have a green event section on our events webpage highlighting all of our green activities
- Have signs at the event registration which list all of our green activities
- Use the Virginia Green logo on signs and on recycling containers
