

Keep Virginia Beautiful Golf Tournament

Midlothian, Virginia

October 10, 2011

"This is Keep Virginia Beautiful's inaugural golf tournament to raise funds and awareness in support of the mission of Keep Virginia Beautiful."

Green Statement: "The greening our event is simply a function of KVB's mission and supports our continuing partnership with Virginia Green!"

CORE ACTIVITIES for Green Events

- Recycling.** Events must provide recycling for its participants. Recycling should be highly visible and made available to the public with clear signage. The organizers of this event pledge that they provide recycling for:
 - Glass bottles, aluminum cans, plastic bottles, paper, cardboard, composting of food & other compostable items

- Minimize the use of disposable food service products.** The facility is required to minimize the use of disposable food service products and maximize the use of food service products that are recyclable or compostable in the food service area. When disposable food service items are used, the facility is encouraged to use products that are made from bio-based or renewable resources, and to provide for the collection / recycling / composting of food service items disposed of on the premises. This facility pledges that they:
 - Use disposable foodservice items that are made from bio-based, renewable materials (corn, bamboo, potato starch, sugarcane, etc.)
 - Use disposable foodservice items that are made with recycled content
 - Use compostable food service items and direct this material to available composting operations in your area

- Printed Materials.** Recycled-content, soy-based inks, and 2-sided copies – and quantities should be minimized whenever possible! The organizers of this event pledge that they:
 - Use electronic registration, correspondence and forms
 - Print brochures and other printed items on recycled content paper and print all documents double-sided
 - Purchase/use paper products with 30% or higher recycled-content

- Waste Reduction.** Event planners should make a general commitment to reduce the amount of waste generated by their event. The organizers of this event pledge that they:
 - Chose a location/venue that shares a similar commitment to reducing its environmental impacts: Stonehenge golf course has implemented various green practices, such as use of organic fertilizers and reduced pesticide use.

Food service

 - Donate excess food from events
 - Arrange for the composting of food waste and other compostables
 - Use non-bleached napkins and coffee filters

- Provide condiments, cream and sugar, etc., in bulk
- Use water pitchers to minimize the use of single-use bottles
- Avoid box lunches and serve trays/platters of food instead

Logistics

- Purchase from vendors and service providers with a commitment to the environment

Green Signage. Event planners must commit to tell their participants about how green the event is. Event signage should include the Virginia Green logo and list all “green activities” practiced in the planning and operation of the event. The organizers of this event pledge that they:

- Have signs at the event registration which list all of its green activities
- Use the Virginia Green logo on signs and on recycling containers
- Have quantified its greening efforts and will post estimates of the reduced environmental impacts
