**APPLICANT NAME, ADDRESS AND PERMIT NUMBER:** Region 2000 Services Authority; 427 Livestock Road, Rustburg, VA 24588; PERMIT NUMBER 14-1361

**PROJECT DESCRIPTION:** Region 2000 Services Authority has applied for a new permit for the Region 2000 Campbell County Landfill. The permit will allow the applicant to expand the landfill between two previously permitted cells. The proposed activity would affect 0.51 acres of wetlands. The activity proposed in the permit will affect an unnamed tributary of Tussocky Creek in the James River watershed. A watershed is the land area drained by a river and its incoming streams. To compensate for the affected area, the applicant will purchase wetland credits. DEQ's preliminary decision is to approve the permit.

**HOW TO COMMENT AND/OR REQUEST A PUBLIC HEARING:** DEQ accepts comments and requests for public hearing by e-mail, fax or postal mail. All comments and requests must be in writing and be received by DEQ during the comment period. Submittals must include the names, mailing addresses and telephone numbers of the commenter/requester and of all persons represented by the commenter/requester. A request for public hearing must also include: 1) The reason why a public hearing is requested. 2) A brief, informal statement regarding the nature and extent of the interest of the requester or of those represented by the requestor, including how and to what extent such interest would be directly and adversely affected by the permit. 3) Specific references, where possible, to terms and conditions of the permit with suggested revisions. DEQ may hold a public hearing, including another comment period, if public response is significant and there are substantial, disputed issues relevant to the permit.
