

Summary of Changes to the Lancaster County No Discharge Zone (NDZ) Application

September, 2013

CHANGES TO THE APPLICATION:

Added a reference to HB 1943 in the "Purpose and Background" and "Introduction" sections of the application

Replaced HB 1774 with HB 1943 in the "Reference" section of the application

Corrected the description of Indian Creek in the "Bodies of Water Affected" section of the application by removing Harvey's Creek from the description
