Welcome to the wiki of the

**Roanoke River Basin Bi-State Commission
Water Allocation Ad Hoc Committee**

The Roanoke River Basin Bi-State Commission at their March 27, 2009 meeting formed the Water Allocation Ad Hoc Committee. The ad hoc committee's objective is to develop a draft document of understanding that can be used the States of Virginia and North Carolina, and the USACE regarding the allocation and withdrawals of water out of the John H. Kerr Reservoir.
