# INTRODUCTION

## Introduction

This report summarizes the litter prevention and recycling program expenses and activities conducted in fiscal year (FY) 2019 by the local government recipients of the annual litter and recycling grants.

The Commonwealth of Virginia collects three “litter” taxes to support litter prevention and recycling program activities in Virginia. The three taxes are comprised of a beer and wine coolers tax, a soft drink tax, and a retail establishment fixed fee of \$10 or \$25. Collectively referred to as the “litter taxes,” the revenues collected are deposited into the Litter Control and Recycling Fund (fund). Since 1981, over \$65 million has been paid into the fund to support litter control and recycling programs. The annual uses of these funds as specified by legislation are:

- 95 percent – Non-competitive and competitive grants to localities (local government grants)
- 5 percent - Grant administrative costs - Department of Environmental Quality (DEQ)

The guidelines for these grants are overseen by the Litter Control and Recycling Fund Advisory Board (Board) and DEQ provides program and financial administration of the annual grants. The Board meets annually to track the status of the fund and the progress of the annual grant program. The Board is appointed by the Governor and consists of five members as follows:

- Three members shall represent persons paying the taxes that are deposited into the fund and shall include one member appointed from nominations submitted by recognized industry associations representing retailers; one member appointed from nominations submitted by recognized industry associations representing soft drink distributors; and one member appointed from nominations submitted by recognized industry associations representing beer distributors.
- One member shall be a local litter or recycling coordinator.
- One member shall be from the general public.

At the conclusion of each grant year, the local government grant recipients must submit performance and accounting reports to DEQ on the activities and expenses for which the grant funds were used. The data contained in this report was compiled from the information submitted by the grant recipients and certified by one of their authorized agents.

# FUNDING FOR FISCAL YEAR 2019

## Funding for Fiscal Year 2019

In FY2019, \$1,907,251 was disbursed from the litter fund to 309 of 324 localities. Non-competitive litter grants are calculated by population and road miles and do not take into consideration how much money the local government receives from other sources in support of its programs. The number of local governments applying for the grants varies from year-to-year.

Many localities use other sources of funds to augment their grant award. Programs reported over \$10 million in cash from local funds, private sources, and other revenues.

In addition to cash, a number of localities rely upon in-kind services to carry out their program activities. Local programs valued their in-kind donations at \$5,734,191.

In FY2019, local governments matched the \$1,907,251 awarded in grant funds with \$20,931,037 from other sources of money and in-kind services. This represented a funding match of 1,097%.

*The local litter prevention and recycling programs may be managed or operated by a single locality (city, county, or town), or by a group of localities (referred to as a "cooperative program").*

**Single local government applications:**  
140

**Co-op applications:** 50

**Total grants disbursed:** 190

**Total localities served:** 309

# PERFORMANCE DETAILS FOR FISCAL YEAR 2019

## Performance Details for Fiscal Year 2019

### STAFFING AND VOLUNTEER SUPPORT LEVEL

Most programs have at least one full-time or part-time employee who is typically assisted by volunteers. Volunteers play a critical role in each program's success. At a standard rate of \$24.49 per hour, the value of the service provided by volunteers during FY2019 was **\$ 5,601,714**.

### CLEANUPS

Each year, local programs sponsor a variety of cleanup programs where volunteers donate their time to clean up areas where litter is present or where illegal dumping of solid waste has occurred. A total of **5,395** cleanup events, utilizing a total of **43,391** volunteers, cleaned **34,085** cubic yards of litter in FY2019.

# PERFORMANCE DETAILS FOR FISCAL YEAR 2019

## YOUTH EDUCATION

The majority of local programs included a youth education component. These activities included presentations and workshops in schools, involvement in "ecology clubs" and other educational events such as Earth Day celebrations. Last year, the local government grant recipients reported that **1,221** presentations, workshops, or other educational events for young people were conducted. The total number of youth attending these activities was reported as **63,687**. The total number of ecology clubs reported for FY2019 is **85** with **1,656** members.

# PERFORMANCE DETAILS FOR FISCAL YEAR 2019

## PUBLIC EDUCATION (NOT REPORTED AS YOUTH EDUCATION)

Community outreach is a major component of many of the local litter and recycling programs. Community outreach activities may include booths, presentations, and unstaffed displays, such as bulletin boards and posters. Litter and recycling program managers reported that they conducted **678** workshops with an estimated **33,174** people in attendance. There were **442** staffed displays or events that were viewed by approximately **761,725** people. Program managers reported that in FY2019 there were **496** unstaffed displays in Virginia.

## ASSIGN-A-HIGHWAY PROGRAM

The Assign-A-Highway program continues as a litter prevention/cleanup initiative in the Commonwealth. Under this program, area judges offer probationers the opportunity to work with the locality's litter program to clean up assigned sections of roads and highways during their probationary period. For FY2019, grantees reported **50,746** cubic yards of litter were collected by **7,654** probationers along **15,171** miles of roads.

# PERFORMANCE DETAILS FOR FISCAL YEAR 2019

## PROGRAM GRANT FUNDING ALLOCATIONS

Local governments that received grants for FY2019 were asked to estimate the percentage of their grant funds used specifically for the litter prevention program activities and the percentage of their grant funds used specifically for recycling program activities. Approximately **56 percent** was reported as being used for litter prevention while **44 percent** was reported as having been spent to support recycling.

### ESTIMATED PERCENT GRANT FUNDING TO SUPPORT LITTER PREVENTION AND RECYCLING

DESCRIPTION	PERCENTAGE
Grant funds used for litter prevention program activities	56%
Grant funds used for recycling program activities	44%

**Note:** The percentage of funding utilized for litter and recycling is subjectively based upon estimates provided by the grant recipients. These percentages also are based only on the grant funds awarded to localities by DEQ. This percentage of funding does not take into account any other monies that the local governments may have received from other sources or had budgeted for these programs from their general operation funds.

# DATA TABLES FOR FISCAL YEAR 2019

## Data Tables for Fiscal Year 2019

### SUMMARY OF HIGHLIGHTED DATA COMPARING FY 2019 TO FY 2018

DESCRIPTION	FY2019	FY2018
Funds Distributed from Litter Tax	\$1,907,251	\$1,782,129
Total Localities Funded	309	309
Locality Cash Match Total	\$13,436,235	\$13,258,374
Locality In-Kind Match Totals	\$650,481	\$652,433
Number of Volunteer Hours Worked	245,704	267,143
Cleanup Events	5,395	5,086
Volunteers	43,391	45,082
Cubic Yards of Litter Collected	34,085	72,571
Youth Presentations, Workshops, or other Educational Events	1,221	1,532
Youth Attending	63,687	83,636
Ecology Clubs	85	102
Ecology Club Members	1,656	2,070
Number of Probationers	7,654	7,878
Number of Road Miles Cleaned	15,171	20,233
Cubic Yards of Litter Collected	50,746	46,527

### CASH MATCH FUND BREAKDOWN

DESCRIPTION	AMOUNT
Local Cash	\$ 13,436,235
Private Sector Cash	\$ 277,419
Other Cash	\$ 81,119
<b>Total</b>	<b>\$ 13,794,773</b>

### IN-KIND (ALL OTHER FUND SOURCES) MATCH FUND BREAKDOWN

DESCRIPTION	AMOUNT
Local In-Kind	\$ 650,481
Private In-Kind	\$ 77,964
Other In-Kind	\$ 16,834
<b>Total</b>	<b>\$ 745,279</b>

# DATA TABLES FOR FISCAL YEAR 2019

## EXPENSES

Litter Prevention and Recycling programs used their grant funds for expenses in the following categories:

### FY2019 EXPENSES

USE OF GRANT FUNDS	FY2019 EXPENSES	USAGE PERCENT
Salaries, Wages, and Fringe Benefits	\$ 791,235	41.3%
Essential Supplies	\$ 642,215	33.5%
Contractual Services	\$ 467,082	24.4%
Travel	\$ 8,285	0.4%
Other	\$ 6,818	0.4%
<b>Total Grant Funds</b>	<b>\$ 1,915,635</b>	<b>100%</b>

## STAFFING

### FY2019 EMPLOYED STAFF

DESCRIPTION	NUMBER
Number of Full-Time and Part-Time Employees	1,039
Number of Hours Worked	708,592

# DATA TABLES FOR FISCAL YEAR 2019

## PROGRAM PROMOTION

The fund guidelines require reporting on the kinds of materials the litter program managers distribute; however, the quantity does not need to be reported. In addition, litter program managers cannot use their grant funds for advertising though advertising may be donated and is included in this report as an in-kind match.

### FY 2019 MATERIALS DISTRIBUTED

TYPES OF MATERIALS DISTRIBUTED	NUMBER OF LOCALITIES**
Litter Bags	89
Pencils	65
Stickers	54
Coloring Books	57
Other*	94

*\*Other materials distributed include bookmarks, buttons, certificates, cups, gloves, hand sanitizer, key chains, litter grabbers, magnets, memo pads, pocket ash trays, recycling bins, rulers, tote bags, water bottles, wrist bands, etc.*

### FY 2019 COMMUNICATION TYPES

TYPES OF COMMUNICATION	NUMBER OF LOCALITIES**
Brochures	75
Websites	93
Emails	75
Newspapers	59
Newsletters	37
Public Service Radio Announcements	19
Facebook	86
Public Service Television Announcements	16
Twitter	26
Other*	47

*\*Other materials distributed include banners, blogs, bumper stickers, booklets, calendars, fliers, post card mailers, presentations at public town meetings and other interest groups, school and government marquees, signage, and YouTube.*

*\*\*For this purpose, coops are counted as a single locality.*
