Dear Ms. Sinclair,

I would like to register my concern about the Chickahominy Power Station and request that this project be reviewed by the Air Pollution Control Board.

APPLICANT NAME AND REGISTRATION NUMBER: Balico LLC; 52610

FACILITY NAME AND ADDRESS: Balico LLC/Chickahominy Power, 1380 Coppermine Rd. Ste. 115, Herndon, VA 20171

Issues around environmental justice, increased methane and carbon emissions, and the health and welfare of the most vulnerable citizens in the area are all issues that need to be addressed. I spent a good deal of time on the Capital Trail in this region, as do many from across the state and even country.

Thank you for your time and attention,

Emily L. Chrysler
