INSPECTOR LICENSE EXTENSION REQUEST

Use this form to request an extension of your emissions inspector license. Emissions inspectors may be granted an extension of their license for no more than three months from the original expiration date. An extension may be granted, provided that the applicant has submitted appropriate justification for the delay in meeting emissions inspector licensing recertification requirements. Extensions will not be granted for those individuals who have failed the emissions inspector's course examination at Northern Virginia Community College.

Scan and email to aircheckvirginia@deq.virginia.gov or give completed form to your Compliance Officer.

Use the space below to describe why re-licensing requirement(s) cannot be met prior to your original license expiration date. If you have registered for an inspector class, include information on class registration (campus, section number and starting date).

NOTE: If approved, your emissions inspector license will be extended for a maximum of ninety (90) days from the date of original expiration; no extensions beyond ninety (90) days are permitted for any reason. Upon expiration of your license, original or extended, you must cease performing emissions inspections until such time as your license has been renewed. Field certification may be required prior to extension approval and/or for license renewal.
