

Virginia CZM Program Focal Area Voting Results

Possible Focal Areas:

- Planning District Commission (PDC) Technical Assistance
- Rural PDC Resilience through Education
- National Estuarine Reserve System (NERRS) Nearshore Resilience Projects
- VIMS/DGIF/DCR Conservation Targeting for Resilience

Ranking Results:

Adding funds to the Coastal PDC's technical assistance grants to increase capacity to improve coastal resilience ranked first; conservation targeting to help protect species from climate impacts ranked second, promoting resilience through ecotourism ranked 3rd; and design nearshore habitat/resilience projects ranked fourth.
