

DGIF & Potential Partnerships for Habitat Restoration

2015 Wildlife Action Plan –

To conserve and restore imperiled species

– <http://bewildvirginia.org/>

Emphasizing habitat restoration

- Several projects with NGOs and communities
- DGIF Contributions: Justifications, Funds, Staff/Guidance
- Most in western portions of Virginia

To date, no SWG-Funded projects with communities in the east

– No reason there couldn't be

Chris Burkett

Action Plan Coordinator/Asst. Federal Aid Coordinator
