	Total funding under Section 309	\$1,130,000

Total Funding in the Southern Watershed Area = \$1,937,771

Costs/Funding Source

All of the above work (and other grants not detailed here) has been funded by the Virginia Coastal Program of the Virginia Department of Environmental Quality through the National Oceanic and Atmospheric Administration Office of Ocean and Coastal Resources Management through the Coastal Zone Management Act of 1972 as amended. Section 309 grants require no match from recipient while Section 306 and 306A grants require a 50% match. (This does not include any monies expended by the cities or the HRPDC).
