

How to Enroll in DEQ SWM/ESC Curriculum

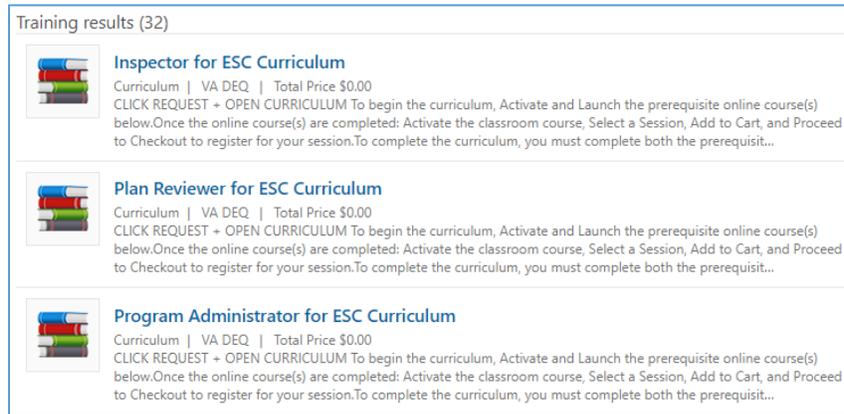

Login to [ELMS](#)

Enter search terms related to the course of study you are interested in (e.g. erosion), click the magnifying glass or hit Enter on your keyboard.

A blue search bar with the text "Search for Training" in white. Below the text is a white input field containing the word "erosion" and a magnifying glass icon on the right.

Click the name of the Curriculum you are interested in.

A list of training results with three items, each featuring a book icon, a title, and a brief description. The items are: "Inspector for ESC Curriculum", "Plan Reviewer for ESC Curriculum", and "Program Administrator for ESC Curriculum". Each item includes the text "Curriculum | VA DEQ | Total Price \$0.00" and "CLICK REQUEST + OPEN CURRICULUM To begin the curriculum, Activate and Launch the prerequisite online course(s) below. Once the online course(s) are completed: Activate the classroom course, Select a Session, Add to Cart, and Proceed to Checkout to register for your session. To complete the curriculum, you must complete both the prerequisite..."

Click Request... then click Open Curriculum

Two blue buttons with white text and dropdown arrows. The first button is labeled "Request" and the second is labeled "Open Curriculum".

Follow the onscreen instructions for Activating and Launching the online course. Once you have completed the online course, you will be able to select your classroom session.

A detailed view of the "Inspector for ESC Curriculum" page. It includes a title, an "Options" dropdown, and instructions: "CLICK REQUEST + OPEN CURRICULUM To begin the curriculum, **Activate and Launch** the prerequisite online course(s) below. Once the online course(s) are completed: **Activate** the classroom course, **Select a Session, Add to Cart,** and **Proceed to Checkout** to register for your session. To complete the curriculum, you must complete both the prerequisite online course(s) and the in-person class. Note: content covered in the online course(s) in this curriculum is included on the certification exam. The Participant Guide provided in class includes content covered in the online course(s). If you have questions, please email certification@deq.virginia.gov". Below this are two course cards: "Module 1: Training and Certification for ESC and SWM" with an "Activate" button, and "Inspector for ESC" with a status of "Pending Prior Training".
