SECTION C: Findings of Fact and Conclusions of Law

1. KVK operates the Facility in Botetourt County, Virginia. The Facility is the subject of the Permit which allows air emissions related to the final fabrication and painting of structural steel.
2. On August 10, 2015, KVK staff met with DEQ staff and stated that the Facility has been in operation for approximately five years. DEQ staff stated that the Facility should be evaluated for air permit applicability and KVK submitted a permit application on January 19, 2016. DEQ staff performed an engineering analysis and determined that the Facility did require an air permit.
3. The Department issued the Permit to KVK on May 17, 2016 which authorizes KVK to construct and operate a stationary source of air pollution.

4. 9 VAC 5-80-1120(A) states that no owner or other person shall begin actual construction of, or operate, any new stationary source or any project subject to this article without first obtaining from the board a permit under the provisions of this article. The owner may not construct or operate the stationary source or project contrary to the terms and conditions of that permit.
5. 9 VAC 5-80-1210(E) states that any owner who constructs or operates a source subject to this section not in accordance with the terms and conditions of any permit to construct and operate, or any owner of a source subject to this section who commences construction or operation without receiving a permit hereunder, shall be subject to appropriate enforcement action including, but not limited to, any specified in this section.
6. On May 26, 2016, based on the August 10, 2015 meeting and the Permit issuance on May 17, 2016, the Department issued NOV No. ABRRO000414 to KVK for the violations described in paragraph C(2), above.
7. Based on the August 10, 2015 meeting and the Permit issuance on May 17, 2016, the Board concludes that KVK has violated 9 VAC 5-80-1120(A) and 9 VAC 5-80-1210(E), as described in paragraph C(2), above.
8. By obtaining the Permit, KVK has documented that the violation described in paragraph C(2), above, has been corrected.

SECTION D: Agreement and Order

Accordingly, by virtue of the authority granted it in Va. Code §§ 10.1-1309 and -1316, the Board orders KVK, and KVK agrees to pay a civil charge of \$10,740 within 30 days of the effective date of the Order in settlement of the violations cited in this Order.

Payment shall be made by check, certified check, money order or cashier's check payable to the "Treasurer of Virginia," and delivered to:

Receipts Control
Department of Environmental Quality
Post Office Box 1104
Richmond, Virginia 23218

KVK shall include its Federal Employer Identification Number (FEIN) 54-6001261 with the civil charge payment and shall indicate that the payment is being made in accordance with the requirements of this Order for deposit into the Virginia Environmental Emergency Response Fund (VEERF). If the Department has to refer collection of moneys due under this Order to the Department of Law, KVK shall be liable for attorneys' fees of 30% of the amount outstanding.

SECTION E: Administrative Provisions

1. The Board may modify, rewrite, or amend this Order with the consent of KVK for good cause shown by KVK, or on its own motion pursuant to the Administrative Process Act, Va. Code § 2.2-4000 *et seq.*, after notice and opportunity to be heard.
2. This Order addresses and resolves only those violations specifically identified in Section C of this Order. This Order shall not preclude the Board or the Director from taking any action authorized by law, including but not limited to: (1) taking any action authorized by law regarding any additional, subsequent, or subsequently discovered violations; (2) seeking subsequent remediation of the facility; or (3) taking subsequent action to enforce the Order.
3. For purposes of this Order and subsequent actions with respect to this Order only, KVK admits the jurisdictional allegations, findings of fact, and conclusions of law contained herein.
4. KVK consents to venue in the Circuit Court of the City of Richmond for any civil action taken to enforce the terms of this Order.
5. KVK declares it has received fair and due process under the Administrative Process Act and the Virginia Air Pollution Control Law and it waives the right to any hearing or other administrative proceeding authorized or required by law or regulation, and to any judicial review of any issue of fact or law contained herein. Nothing herein shall be construed as a waiver of the right to any administrative proceeding for, or to judicial review of, any action taken by the Board to modify, rewrite, amend, or enforce this Order.
6. Failure by KVK to comply with any of the terms of this Order shall constitute a violation of an order of the Board. Nothing herein shall waive the initiation of appropriate enforcement actions or the issuance of additional orders as appropriate by the Board or the Director as a result of such violations. Nothing herein shall affect appropriate enforcement actions by any other federal, state, or local regulatory authority.
7. If any provision of this Order is found to be unenforceable for any reason, the remainder of the Order shall remain in full force and effect.
8. KVK shall be responsible for failure to comply with any of the terms and conditions of this Order unless compliance is made impossible by earthquake, flood, other acts of God, war, strike, or such other unforeseeable circumstances beyond its control and not due to a lack of good faith or diligence on its part. KVK shall demonstrate that such circumstances were beyond its control and not due to a lack of good faith or diligence on its part. KVK shall notify the DEQ Regional Director verbally within 24 hours and in writing within three business days when circumstances are anticipated to occur, are occurring, or have occurred that may delay compliance or cause noncompliance with any requirement of the Order. Such notice shall set forth:

- a. the reasons for the delay or noncompliance;
- b. the projected duration of any such delay or noncompliance;
- c. the measures taken and to be taken to prevent or minimize such delay or noncompliance; and
- d. the timetable by which such measures will be implemented and the date full compliance will be achieved.

Failure to so notify the Regional Director verbally within 24 hours and in writing within three business days, of learning of any condition above, which the parties intend to assert will result in the impossibility of compliance, shall constitute a waiver of any claim to inability to comply with a requirement of this Order.

9. This Order is binding on the parties hereto and any successors in interest, designees and assigns, jointly and severally.
10. This Order shall become effective upon execution by both the Director or his designee and KVK.
11. This Order shall continue in effect until:
 - a. The Director or his designee terminates the Order after KVK has completed all of the requirements of the Order;
 - b. KVK petitions the Director or his designee to terminate the Order after it has completed all of the requirements of the Order and the Director or his designee approves the termination of the Order; or
 - c. the Director or Board terminates the Order in his or its sole discretion upon 30 days' written notice to KVK.

Termination of this Order, or any obligation imposed in this Order, shall not operate to relieve KVK from its obligation to comply with any statute, regulation, permit condition, other order, certificate, certification, standard, or requirement otherwise applicable.

12. Any plans, reports, schedules or specifications attached hereto or submitted by KVK and approved by the Department pursuant to this Order are incorporated into this Order. Any non-compliance with such approved documents shall be considered a violation of this Order.
13. The undersigned representative of KVK certifies that he or she is a responsible official authorized to enter into the terms and conditions of this Order and to execute and legally

bind KVK to this document. Any documents to be submitted pursuant to this Order shall also be submitted by a responsible official of KVK.

14. This Order constitutes the entire agreement and understanding of the parties concerning settlement of the violations identified in Section C of this Order, and there are no representations, warranties, covenants, terms or conditions agreed upon between the parties other than those expressed in this Order.
