SECTION C: Findings of Fact and Conclusions of Law

1. Wakefield Peanut owns and operates a peanut processing plant and retail store on the Property.
2. On December 7, 2015, DEQ VWP Permit Program staff received a complaint regarding potential unauthorized impacts to state waters associated with the construction of a trailer storage garage on the Property.
3. On January 6, 2016, Department staff investigated the complaint by inspecting the Property for compliance with the requirements of the State Water Control Law and the Regulations. The DEQ inspector observed that the construction of a trailer garage had significantly altered and degraded approximately 0.24 acres of forested wetlands, which are surface waters, by clearing, grubbing, grading and filling.
4. Va. Code § 62.1-44.15:20 and the Regulations at 9 VAC 25-210-50 prohibits significant alteration, degradation or filling of surface water without a Permit issued by the Director. Wakefield Peanut does not have a Permit for the above activities.

5. On January 29, 2016, DEQ issued NOV No. 16-01-PRO-701 for the violation of Va. Code § 62.1-44.15:20 and 9 VAC 25-210-50.
6. On February 2, 2016 Department staff discussed the violations with a Wakefield Peanut representative. Subsequently, on February 3, 2016, Wakefield Peanut's consultant provided a report and then submitted a Mitigation Action Plan on February 17, 2016. A copy was provided to the USACE.
7. After comment by the USACE, on March 2, 2016, Wakefield Peanut submitted a revised Mitigation Action Plan to DEQ and the USACE. The revised Mitigation Action Plan adequately sets forth a plan for the Restoration of the forested wetlands.
8. On March 3, 2016, Wakefield Peanut submitted a Joint Permit Application. On April 20, 2016, DEQ notified Wakefield Peanut that the application had been processed and that in lieu of an SPGP Authorization, the CWA Section 404 violation would be resolved through the issuance of this Order.
9. Based on the results of the January 29, 2016 inspection, the documentation submitted on February 3 and 17 and March 2 and 3, 2016, the Board concludes that Wakefield Peanut has violated Va. Code § 62.1-44.15:20 and the Regulations at 9 VAC 25-210-50, as described above.
10. In order for Wakefield Peanut to complete its return to compliance, DEQ staff and representatives of Wakefield Peanut have agreed to the Schedule of Compliance, which is incorporated as Appendix A of this Order.
11. This Order also resolves the Section 404 violation on the Property, Wakefield Peanut must adhere to all general conditions of the 12-SPGP-01 and requirements of this Order. No additional authorization from the USACE is required.

SECTION D: Agreement and Order

Accordingly, by virtue of the authority granted it in Va. Code §§ 62.1-44.15, the Board orders Wakefield Peanut, and Wakefield Peanut agrees to:

1. Perform the actions described in Appendix A of this Order; and
2. Pay a civil charge of \$15,000.00 within 30 days of the effective date of the Order in settlement of the violations cited in this Order.

If the Department has to refer collection of moneys due under this Order to the Department of Law, Wakefield Peanut shall be liable for attorneys' fees of 30% of the amount outstanding.

SECTION E: Administrative Provisions

1. The Board may modify, rewrite, or amend this Order with the consent of Wakefield Peanut for good cause shown by Wakefield Peanut, or on its own motion pursuant to the Administrative Process Act, Va. Code § 2.2-4000 *et seq.*, after notice and opportunity to be heard.
2. This Order addresses and resolves only those violations specifically identified in Section C of this Order and in NOV No. No. 16-01-PRO-701 dated January 29, 2016. This Order shall not preclude the Board or the Director from taking any action authorized by law, including but not limited to: (1) taking any action authorized by law regarding any additional, subsequent, or subsequently discovered violations; (2) seeking subsequent remediation of the facility; or (3) taking subsequent action to enforce the Order.

Nothing herein shall be construed as a waiver of the right to any administrative proceeding for, or to judicial review of, any action taken by the Board to modify, rewrite, amend, or enforce this Order.
6. Failure by Wakefield Peanut to comply with any of the terms of this Order shall constitute a violation of an order of the Board. Nothing herein shall waive the initiation of appropriate enforcement actions or the issuance of additional orders as appropriate by the Board or the Director as a result of such violations. Nothing herein shall affect appropriate enforcement actions by any other federal, state, or local regulatory authority.

7. If any provision of this Order is found to be unenforceable for any reason, the remainder of the Order shall remain in full force and effect.
8. Wakefield Peanut shall be responsible for failure to comply with any of the terms and conditions of this Order unless compliance is made impossible by earthquake, flood, other acts of God, war, strike, or such other unforeseeable circumstances beyond its control and not due to a lack of good faith or diligence on its part. Wakefield Peanut shall demonstrate that such circumstances were beyond its control and not due to a lack of good faith or diligence on its part. Wakefield Peanut shall notify the DEQ Regional Director verbally within 24 hours and in writing within three business days when circumstances are anticipated to occur, are occurring, or have occurred that may delay compliance or cause noncompliance with any requirement of the Order. Such notice shall set forth:
 - a. the reasons for the delay or noncompliance;
 - b. the projected duration of any such delay or noncompliance;
 - c. the measures taken and to be taken to prevent or minimize such delay or noncompliance; and

10. This Order shall become effective upon execution by both the Director or his designee and Wakefield Peanut. Nevertheless, Wakefield Peanut agrees to be bound by any compliance date which precedes the effective date of this Order.

- c. the Director or Board terminates the Order in his or its sole discretion upon 30 days' written notice to Wakefield Peanut.

Termination of this Order, or any obligation imposed in this Order, shall not operate to relieve Wakefield Peanut from its obligation to comply with any statute, regulation, permit condition, other order, certificate, certification, standard, or requirement otherwise applicable.

12. Any plans, reports, schedules or specifications attached hereto or submitted by Wakefield Peanut and approved by the Department pursuant to this Order are incorporated into this Order. Any non-compliance with such approved documents shall be considered a violation of this Order.
13. The undersigned representative of Wakefield Peanut certifies that he or she is a responsible official authorized to enter into the terms and conditions of this Order and to execute and legally bind Wakefield Peanut to this document. Any documents to be submitted pursuant to this Order shall also be submitted by a responsible official of Wakefield Peanut.
14. Wakefield Peanut shall respond to any DEQ notice of deficiency
