Acknowledgement of Part A Notice of Intent**

Dear Mr. Cifor:

The Virginia Department of Environmental Quality (DEQ) Piedmont Regional Office (PRO) received a Notice of Intent (NOI) with an attached Part A Application for the Green Ridge Recycling and Disposal Facility, LLC, prepared by Draper Aden Associates and dated January 17, 2020. The NOI was received on January 22, 2020. The NOI will be reviewed for *administrative completeness* in accordance with the Virginia Solid Waste Management Regulations (VSWMR, 9 VAC 20-81-10 *et seq.*). Please note that administrative completeness means that the appropriate forms have been completed and submitted, but does not constitute approval of the technical content of the submissions, nor does it constitute approval of the Part A application. Upon receipt of a complete NOI, the department will conduct a technical review of the submittal, in accordance with 9 VAC 20-81-450.C.3.

For the purpose of tracking the review of the NOI and future application submittals, Permit Application No. 626 has been assigned to this facility. Please include this permit application number on all future correspondence.

If you have any questions regarding this matter, please contact me at (804) 527-5049, or by e-mail at [dean.starook@deq.virginia.gov](mailto:dean.starook@deq.virginia.gov).
