

Amendment 3 to Voluntary Remediation Program Regulations (9VAC20-160-10 *et seq.*) took effect on July 1, 2014. Amendment 3 established a new fee structure for all sites seeking enrollment into the VRP after July, 1, 2014. The new registration fee structure consists of a

- \$2000 Phase I registration (application) fee,
- \$7500 Phase II (enrollment) registration fee,
- \$4500 Phase III annual registration fee for each year the site is participating in the program.

There are fees associated with amendments to Certificates and Restrictive Covenants as well as the issuance of separate Certificates/parceling of sites; please contact staff for the exact amounts.

The Regulation as presented to the Board can be accessed from [this link](#).
