

2018 VEEP Sustainability Partner

# James Madison University

---

## Current Goals

- Reduce the amount of waste disposed in a landfill
- Improve storm water quality
- Reduce building energy use intensity
- Engage employees in environmental stewardship

## Campus LED Lighting

- **Description:**
  - University replaced an additional 1596 lamps on campus with LEDs
- **Results:**
  - \$13,239.35 in cost savings
  - 565 MMBtu of energy conserved
- **Future Plans:**
  - JMU will continue to expand the use of LEDs across campus
