Making It Work: LandServer

- Online education and outreach tool
- Parcel specific conservation assessment
- Opportunities to enter markets for ecosystem markets and conservation programs
Making It Work: Bay Bank

Bay Bank

Here's how Bay Bank works for...

1. Run a free LandServer property report to determine your eligibility for programs and markets.
2. Open a Bay Bank Account.
3. Browse the Market Education Guide to learn all about your available opportunities.
4. Post an "expression of interest" on the marketplace.
5. Choose a service provider to develop your project.
6. Buyers will contact you via email.

For landowners...
- Benefits and tools for landowners
- Add your project
- Get bids from service providers

For service providers...
- Benefits and tools for service providers
- Add your company

For buyers...
- Benefits and tools for buyers of ecosystem service credits
- Search the marketplace

About the Bay Bank
Bay Bank is the Chesapeake's conservation marketplace, linking landowners with resources to improve and protect the region's natural resources and working lands. Bay Bank combines the best available tools to enable easy access to local, regional, and national ecosystem markets and conservation programs.
