**RE: Chesterfield Power Station, VPDES Permit VA0004146**  
**Notice of Commencement Discharge (Outfall 301)**

Dear Mr. Bryan:

In accordance with Special Condition I.C.25 of the subject permit, Dominion Energy is providing this notice that release of treated water from the new Low Volume Waste Water Treatment System (LVWWTS) at Chesterfield Power Station via permitted Outfall 301 is scheduled to begin on October 10, 2017. Initiation of the discharge will begin no sooner than 10 days from the date of this letter.

I certify under penalty of law that this document and all attachments were prepared under my direction or supervision in accordance with a system designed to assure that qualified personnel properly gather and evaluate the information submitted. Based on my inquiry of the person or persons who manage the system, or those persons directly responsible for gathering the information, the information submitted is, to the best of my knowledge and belief, true, accurate, and complete. I am aware that there are significant penalties for submitting false information, including the possibility of fine and imprisonment for knowing violations.
