

Salt Management Strategy (SaMS)

3rd Government Coordination Workgroup Meeting Agenda

Dec. 18, 2019: 1:00 pm - 3:30 pm

Northern Virginia Regional Commission: 3040 Williams Dr., Suite 200, Fairfax, VA

I. Welcome and Introductions (1:00 pm – 1:10 pm)

Opening Remarks, Introductions, and Meeting Objectives

II. Purpose and Scope (1:10 pm – 1:40 pm)

- a. Highlights of Previous Meetings
 - i. Coordination to decrease implementation costs: alternative deicers, training, etc.
 - ii. Coordination to share information/lessons: messaging, pre & post-season forums
 - iii. Areas of interest for future legislative action: liability relief and product labeling
- b. Other Workgroup Requests
 - i. Coordinate “pooled monitoring” recommendation from WQ Mon. & Research wkgp
 - ii. Coordinate development of a multi-jurisdictional pilot WQ monitoring program
- c. Meeting #2 Actions Update
 - i. Alternative deicer used by NPS
 - ii. Maryland’s next generation MS4 permits
 - iii. Community Association’s Institute contact
 - iv. VDOT’s pre-season elected officials presentation
 - v. SaMS report and conceptual support for legislative ideas

III. Workgroup Recommendation Discussions (1:40 pm – 2:25 pm)

- a. Training Operators
 - i. Level of Interest to pursue shared training for NoVA entities
 - ii. Assuming high, discuss recommended timing and logistical considerations
 - iii. Relatedly, there was discussion of organizing a NoVA Roadeo with VDOT and local governments. Level of interest? Recommended next steps?
- b. Pre-Season Coordination
 - i. Interest in virtual vs. in-person forum; timing and logistical considerations
 - ii. Identify recommended focus – public messaging, operation coordination, etc.
- c. Post-Season Forum
 - i. Recommended timing and logistical considerations
 - ii. Recommended focus – operational changes, lessons learned, future plans

--- Break (2:25 pm – 2:30 pm) ---

III. Workgroup Recommendations (continued) (2:30 pm – 3:15 pm)

- a. Engaging Existing NoVA forums to support SaMS implementation
 - i. Discuss/plan specific engagements: purpose/substance/timing
 - ii. Identify follow up actions and responsibilities
- b. Continuation of NoVA government coordination during SaMS implementation
 - i. NVRC and MW-COG current thoughts
 - ii. Frame recommendation for SaMS report

- c. Water Quality Monitoring and Research (WQMR) workgroup action coordination
 - i. A "pooled monitoring" program is recommended by WQMR - is there a structure or framework that could be set in place to facilitate this coordination?
 - ii. WQMR also recommends a pilot program to measure the water quality impact of BMP implementation – how can we promote and coordinate these partnerships?

IV. Final Discussion and Planned Follow up (3:15 pm – 3:30 pm)

- a. Any other issues/ideas warrant workgroup discussions?
- b. 4th mtg, or virtual coordination to finalize workgroup recommendations, process & timing
- c. Drafting the SaMS Report: DEQ lead, finish Spring 2020
- d. Steering Committee Review: June 2 and August 4, 2020 meetings
- e. SAC Meeting: September 2020 (date TBD)
- f. Final Public Meeting/Public Comment on SaMS: Fall 2020 (date TBD)
