  - **Fairfax Water**
  - **WSSC Water**

# ION MONITORING SURVEY SUMMARY

- Next steps – discussion on the proposals below

- A. Follow up on responses

- i. Organize data
    - ii. Spatial representation of data where possible
    - iii. Address data sharing restrictions (consider FOIA)

- A. Identify partners not represented in survey

- i. Reach out individually to encourage responses
    - ii. Repeat steps A.i through A.iii above
